

CHAWIJE
RESUME

CHAMINDA WIJERATHNE

Graphic Designer

I have been a Graphic Designer for 10+ years. My passion is to create real elegant and creative graphic for any solutions of communicational issues. I love to design clean, smart and effective works. Most of my projects focus on identity and branding, print media and web design.

{ Work Experience }

Smart Media

Colombo/Sri Lanka

As a Senior Executive - Studio

{ 2004 - Present }

Smart Media is a company involved in designing and printing Annual Report and are specialists in producing world class Annual Reports. Smart Media operations are rich in the Middle East, South Asia and in the Europe region. My role is to lay-out the design visuals [to suit the client and designer's requirements] and release the final product for printing.

- I have a special ability to lay-out the Arabic Annual Report designs.

Freelance Experience

Anodyne Therapy, LLC

Tampa, FL 33626/USA

Freelance Graphic Designer

{ 2010 - 2012 }

Anodyne Therapy is manufacturing infrared light therapy devices. My role is online contact with the client and creating design solutions for their Product logos, Packaging, Marketing materials etc.

Focal Technology

Consulting WA, 98007/USA

Freelance Graphic Designer

{ 2012 - Present }

Focal Training is an IT Professionals and Educational Institute. My responsibility is online contact with the client and creating the design for their Educational/Marketing materials etc.

Designxpirt

United Kingdom

Freelance Graphic Designer

{ 2011 - Present }

Designxpirt is an Advertising Agency. They post their projects to the 'Project Management System' and send the invitation to design the assignment. Therefore, I have to login to their system and do the assignment.
